Scripture of the Quarter

*And Jesus answered and said to them:
“Take heed that no one deceives you.*

Matthew 24:4 NKJV

Don't Be Fooled Again

We are going to take a journey back in time to the year of 2020, March 11th to be exact, when this (**plandemic**) pandemic arrived all at once. When there was no more normal, as we knew it in the past. What happened not only happened in the United States but all over the world. What happened? Lockdowns, Masks, and Vaccines which had been weaponized by “Gain of Function” procedures to make this “virus” extremely dangerous.

This man-made virus took **1.3 million** lives according to a British newspaper the Economist. They did a major study on the mortality rates caused by this covid 19 pandemic. It is the most comprehensive and rigorous studies made of the excess death rates caused by this virus.

For the three-year period beginning January 1, 2020 and ending in January 23, 2023. The Economist estimate of those Americans killed by this pandemic directly or through complications came out to approximately **1.3 million**. Now we know that the fear mongers are already saying “oh this next virus will be worse than the last” so remember get your new vaccine. If you fall for that your memory is very short! Why the masks, lockdowns, and vaccines? This was nothing but a **CONTROL**

MECHANISIM OF THE GLOBALISTS and LEFTISTS of FEAR.

Let's talk about the lockdowns, which were supposed to control this plandemic resulting in the following; tens of thousands of juveniles committed suicide. Again, if you can't see they “the Globalists” have an Agenda. Their goal is to decrease the world population to 500 million. Where did we get that?

It has been posted for anyone to read for 42 years. The Georgia Guidestones was a granite monument that stood in Elbert County, Georgia, United States, from 1980 to 2022. It was 19 feet 3 inches tall and made from six granite slabs weighing a total of 237,746 pounds. [Wikipedia](#) This is where the figure of 500 million was carved into this monument. The Globalists are telling us their plan for their “*New World Order.*” This utopian world where the Elitists who think they are all gods will rule. **Read the book of Revelation!**

The inscriptions on the Guidestones were meant for current and future generations. Sandblasted along the square capstone sitting atop the structure was the basic message: “*Let these be Guidestones to an age of reason,*” in Babylonian cuneiform, Egyptian hieroglyphics, Sanskrit, and classical Greek.

The languages represented on the four large upright stones were Arabic, Chinese, English, Hebrew, Hindi, Russian, Spanish, and Swahili. **The engraved messages dealt with four major areas: governance and the establishment of a world government, population and reproduction control, the environment and humankind's relationship to nature, and spirituality.**

Some of you already knew about them for others we pray that this is a wakeup call for the folks who haven't been paying attention to what is going on! Do you remember what Doctor Fauci stated as the only cure for this virus was? He stated **Hydroxychloroquine and Ivermectin were basically worthless to stop this virus.** He recommended as the only way to beat Covid was Remdesivir, which ended up with a 54% death rate according to CDC. Plus, the cost was \$3,100 a shot. REALLY DOCTOR FAUCI!! It can now be obvious that he lied and people died.

Other solutions that could have saved many lives were blocked by **OUR GOVERNMENT** by telling doctors they could lose their Medical License to practice medicine if they prescribed Hydroxychloroquine and Ivermectin which worked in other countries.

Another fact we **MUST NEVER FORGET** hospitals received \$76,975 per Covid patient.

Some other things that could have saved many lives in America; vitamin D. Doctor Ryan Cole of Idaho, board certified from

the Mayo Clinic states if Americans had been using vitamin D as a prevention against the Covid pandemic it could have been avoided. Common sense tells us that cold and flu season begins October and lasts through March. In Northern States it may be longer. Why? Not enough sunshine. Sun will not allow the virus to exist! So, this is why lockdowns and telling people to stay in their homes have done so much damage. Doctor Cole stated the following; year-round you should take the following vitamin D, zinc, and magnesium, all of which work hand in hand to keep your immune system in top shape to fight off any viruses.

Another fact not to dismiss 90% of covid deaths were from being vitamin D deficient. There is a test so that your physician can test your levels. Consider this there has always been a Federal Law that states that **if there is a cure for viruses etc. other than a vaccine you don't need a vaccine.** So, to get around this definition of a vaccine they literally changed the definition of what a vaccine is. (Ref. Curtis Bowers-Agenda Weekly).

Most all vaccines MUST go through a TEN-YEAR test period. This so called covid "vaccine" did not meet this criterion! Now, let's explore what was in this vaccine. It is an **experimental biological gene therapy immune modulatory injection. They are injecting nucleic acid which is unproven and has never been done on such a large scale as this!** Animal trials had negative results on all animals some ended up with CANCER others contracted **AUTO IMMUNE DISEASES Such as Sugar Diabetes.** In another study they gave shots to ferrets to battle a certain virus they may contact in the wild. Their system overreacted when they came in contact with a virus results, they died. (Ref. Curtis Bowers-Agenda Weekly).

One very astute Doctor made this comment; these injections are being given to the military, police, fire, and all first responders.

This is a National Security Concern. **Don't ever forget they told the Military if you don't take this vaccine your career is over. Some refused knowing the truth about this vaccine were discharged for their stand. Nurses were also forced to take it or lose their job. You see that Marxism is alive and well in the U.S.A.** We could go on and on, but what is the answer for all of us? Before we give you an answer, remember what they did to our Australian brothers and sisters? The government locked them up in internment camps. All who refused this deadly vaccine! Oh, it was only for their protection. Don't forget about the re-education camps (it will be fun) that were planned for non-conformist Americans.

DO NOT OBEY

This is an excerpt from **Rabbi Jonathan Cahn's** new book entitled *"The Josiah Manifesto"* all Pastors should follow his advice and do not comply if they tell you to shut down your church. **Never Forget!!**

When a civilization enacts wars against God, so too will its laws, when such a law is enacted that would force the righteous to disobey the ways of God or obey the ways of evil, **it is then that the line has been crossed. And it is then that the righteous MUST DISOBEY THAT LAW.** Such a law has no legitimacy or authority. AND Obedience to a law of disobedience is disobedience. And disobedience to a law of disobedience is obedience. **When a law of Man breaks the Law of God, it is then the former must be broken that the latter can be upheld.** It is then that the Righteous must not comply. It is then that they must resist they must disobey. The Book of Daniel records that the Babylonian king Nebuchadnezzar erected an idol of gold and **commanded all to bow before it.** The Jewish exiles, Shadrach, Meshach, and Abednego **refused to obey the king's command.** They were threatened with death in a burning furnace they responded,

"LET IT BE KNOWN TO YOU, OH KING THAT WE DO NOT SERVE YOUR gods, NOR WILL WE WORSHIP THE GOLD IMAGE WHICH YOU HAVE SET UP." (Ref. Daniel 3:16-18)

So, here is our example straight from God's Word. **We must all refuse to be locked down, wear a mask that was useless to stop a virus because the virus molecule was smaller than oxygen coming in thru the masks. You must choose for yourself whether to take another vaccine that killed 1.3 million people or not.** Some Pastors believing that they were following **Romans 13** said **we must obey** the government's tactics and closed their churches, but some locked their churches out of **FEAR!** Going along like the Jews who went to the camps in Germany. **"Sing a little louder".** What happened? We got used to having online services. It was less trouble than the gathering together of the sheep, to listen to their Shepherd and feeling the move of the Holy Spirit. therefore, many have **never returned** to fellowship in their churches.

In closing it is time for the **"Body of Christ"** to STAND! Remember this powerful statement "United we Stand and divided we fall."

Mark 3:25^{NKJV} And if a house is divided against itself, that house cannot stand.

Stand on Psalm 91:9-10^{AMP}

⁹Because you have made the Lord your refuge, and the Most High your dwelling place, ¹⁰There shall no evil befall you, nor any plague or calamity come near your tent.
