SHARIA LAW. IS IT COMING TO TEXAS, AS THE LAW OF TEXAS???

If you haven't noticed there have been Muslim leaders openly on television proclaiming "there will be Sharia Law in every home in Texas." **This news-letter** is to wake people who are sleeping and saying "this will never happen in Texas." If that is your attitude let me give you some facts not fantasy! As of 2025 there are approximately 330 Islamic Mosques and Islamic centers. This number reflects significant growth, with nearly 50 Mosques opening in the last two years. If you look around, Christian churches are closing their doors. I listened to a report on the Christian Broadcasting network stating as many as 15,000 churches will close in 2025 across our Nation. There is a Muslim cemetery for **Muslims only** in Farmersville, Texas. What people don't understand is that when they build a Mosque it is a conquest in the mind of a Muslim. It is amazing how we here in the United States we are tolerant of anyone and their religious beliefs of the immigrants who are in our country.

Now let me ask you a question: Can we go to Saudi Arabia or Turkey or any Middle Eastern Countries with a Muslim population and open churches

and preach the Gospel of Jesus Christ? The **ANSWER IS NO!!!!!!** You can't even wear a cross or carry a Bible. Sharia law is dominance not assimilation to American values.

What is Sharia Law?

Sharia Law is Islamic law. Sharia is the basis for every **demand** that Muslims make on our society.

- When schools are asked to give up a room for Islamic prayer, that is asking us to implement Sharia law.
- When a Muslim wears a head scarf, that is in obedience to Sharia law.
- When our newspapers **would not publish** the Danish Mohammed cartoons, our newspapers were **submitting to the demands of Sharia law**. But it is ok for them to mock **Jesus**, saying He is not the Son of God. The true and living God. The God of Abraham, Issac, and Jacob.
- When demands are made for **OUR HOSPITALS** to treat Muslim women in special ways, that is **Sharia**.

The attack on the World Trade Center was perpetrated in adherence to the rules of war, jihad, found in **Sharia law**.

Sharia law is the basis for the religious, political and cultural life of **all Muslims**.

Please read and understand what I'm going to reveal to you. Sharia law is being implemented more and more in America and yet there is no knowledge about what Sharia actually is since public, private or religious schools **DO NOT TEACH IT!!!!**

This is a great place to insert God's warning to all Christians; **Isaiah 5:13^{KJV}** *Therefore my people are gone into captivity, because they have no knowledge; and their honourable men are famished, and their multitude dried up with thirst.*

Another Scripture that pertains to all Christians; **Hosea 4:6^{KJV}** *My people (Church Folks) are destroyed for lack of knowledge; because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.*

I strongly suggest that you study what Sharia law is and the implications it has on our society. **Sharia law** is all **about total control and domination**. The Muslims also are convinced and believe their Sharia supersedes the Constitution of the United States. (*Ref. Sharia Law by Bill Warner*).

I can't go give you all the details of Sharia due to the size of this newsletter. I'm going to reveal how Sharia law affects women. Basically, a woman under Sharia law has **no**

freedoms! Each ruling or law in Sharia is based on a reference in the Koran or the Sunna, the perfect example of Mohammed (found in two texts—Hadith and Sira). Each and every law in Islam **must have its origins in the Koran and the Sunna.** Basically, women are treated like animals and sex objects. The following examples are taken from Brigitte Gabriel's book entitled **"They Must Be Stopped."**

The first example is taken from the Hadith and exemplifies Islam's treatment of women. Tabari, a collection of Koran verses and Hadith quotes, illustrates how **Allah (their god)** allows the **abusive** treatment of women, likening them to animals and sex objects. **"Allah permits you to shut them in separate rooms and to beat them, but not severely. If they abstain, they have the right to food and clothing. Treat women well for they are like domestic animals and they possess nothing themselves. Allah has made the enjoyment of their bodies lawful in his Koran."**

Can you imagine if the Pope made a declaration like that about women? By definition, women in Islam will **never be equal to men**, and thus always be subjugated unless moderate Muslims reform their religion and bring it up to twenty-first century standards. The shocking reality is that most Muslim men, including those educated in the West, have no objections of **honor killings** and the degradation of women in their countries. Across the Muslim world, even in moderate Islamic countries, women's rights are almost nonexistent. A verse that describes how women must dress; **"Prophet! Tell your wives and daughters and all Muslim women to draw cloaks and veils all over their bodies (screening themselves completely except for one or two eyes to see the way). That will be better."** (Koran 33.59). By the way ladies—you will be **required to wear a**

hijab which covers all of your hair, and you **will not wear shorts of skirts** under Sharia law.

Pay close attention: In December of 2007 in Toronto, Canada, Aqsa Parvez, a sixteen-year-old Muslim immigrant from Pakistan, was strangled by her father. Aqsa wanted to dress like all other Canadian teenagers and refused to wear a **hijab** the required Muslim head covering. She even went so far as to move out of the family home. Alert most recently in 2008, two sisters were brutally murdered by their Egyptian father in an honor killing right here in Dallas, Texas. Their crime wanting to adopt an **American lifestyle.** Their Muslim Father fled Dallas, Texas. Many want to argue that honor killings are a cultural practice only in the Middle East and that it has nothing to do with Islam. If this is the case, why don't we see Christians, Arabs and Jewish Arabs murdering their daughters?

Islam And child Abuse

Pay close attention to these next sentences: Mohammed was forty-nine years of age when he became betrothed to Aisha, the daughter of one of his closest friends. At the time, she was **SIX YEARS OF AGE.** Three years later, after she completed her first menstrual cycle, Aisha and Mohammed consummated their union. At the time, Mohammed was fifty-two and **Aisha was nine.** Unfortunately, the Islamic practice of marrying a child bride at the age of nine is still practiced to today. It occurs so often, that in 2001, Iran passed a law lowering the legal marrying age for females from twelve to nine years of age. **Islam favors the men NOT THE WOMEN.** Here is an example of Islam Sharia Law: **Rape** is punishable by death.... **For the VICTIM THAT IS.**

Remember Islam is an **ideology** not a religion as some proponents claim. Let's talk about some examples of **Islam** and **Christianity.** In Christianity Jesus,

teaches this **"All liars will have their place in the Lake of Fire."** Ref. **Revelation 21:8^{NKJV}** *But the cowardly, unbelieving, abominable, murderers, sexually immoral, sorcerers, idolaters, and all liars shall have their part in the lake which burns with fire and brimstone, which is the second death."*

In Islam they are allowed to lie—which is the word **Taqiyya** meaning to you, can and are encouraged to lie and deceive to advance the cause of Islam. Also, from a very young age they are taught to hate all infidels (non-believers especially the **Jewish people.** Jesus taught us to pray for our enemies. Ref. **Matthew 5:44^{NKJV}** *But I say to you, love your enemies, bless those who curse you, do good to those who hate you, and pray for those who spitefully use you and persecute you.*

People who want to convert weak Christians to become Muslims—tell them that Islam is a **religion of peace.** Really! I'm going to reference a statement from the **Islamic Sahih-Bukhari 2925, Book 56, Hadith 138.** This is what it states: **Allah's Messenger said You (i.e. Muslims) will fight with the Jews until some of them will hide behind stones. The stones will (betray them) saying, "O" Abdullah (i.e. slave of Allah)! There is a Jew hiding behind me; so, kill him!**

Does that sound peaceful??

In closing we, as the body of Christ (Churches), must take a stand against this evil. It is time for Churches to drop their denominational boundaries and unite for Jesus. We also must pray and study things about Sharia to obtain knowledge. I recommend three books ***They Must Be Stopped*** by Brigitte Gabriel, ***Raising a Jihad Generation*** by John Guandolo former FBI agent, and ***Sharia Law for Non-Muslims*** by Bill Warner Another suggestion is call all of your Texas representatives and **SAY NO TO SHARIA LAW!**
